

P E T I T I O N

The purpose of this Petition is to advise the Federal Communications Commission of the importance of authorizing a broadcast station to the community of Bruni, Texas. We consider ourselves residents of Bruni. We live and work in Bruni. We shop at Bruni businesses. Our children presently attend or have attended Bruni High School. We worship at Bruni churches. We take part in community organizations such as the Lion's Club. We receive mail from a Bruni Post Office, and have our own Bruni zip code.

We not only live in Bruni, but we function as a single community. There is no question but that as residents of the community of Bruni, our common problems, needs and interests are not adequately addressed by stations located in other communities. There is a very real need for a community station to serve the separate problems and interests of the residents of the community of Bruni.

EXHIBIT 3

August 4, 1995

To Whom It May Concern:

I, Irene Solano, am a lifetime resident of Bruni, Texas. I am strongly optimistic about the future growth of Bruni. I as well as other residents expect Bruni to continue to grow tremendously economically as a result of the recent free trade agreement (NAPTA). Our community is a friendly one and many people are involved in social and community organizations. We presently have plans to incorporate and to increase the amount of services to be provided to community residents.

I, as well as my family and friends, am active within the community. I shop at Bruni stores, attend a Bruni church, and take part in Bruni social organizations.

Bruni needs its own radio station.

Irene Solano
